

MADAM MADELINE CARTER-HAWKINS

If VELVET BROWN were not the best skin preparation on the market today, D. V. Hooper's and The Little Gem Drug stores would not be selling more of it than they do any high grade toilet.

VELVET BROWN

Mr. Hooper and Mr. Wren are worthy of Negro patronage for they are Negroes themselves. When a race lady goes into either place for her toilet articles, gentlemanly and courteous treatment is accorded her and the salesman doesn't put anything off on her, in order that he may serve some one whom he thinks because of race is better. This is true with practically all race drug stores and Negro business places.

But back to Velvet Brown, if it were not that Velvet Brown is the best skin preparation, its sales wouldn't increase so each week. Now the people are using it everywhere.

There are some of the race who are holding out saying: "I don't want to make that nigger rich." There is not much chance of me or any other Negro getting rich quickly. I am not trying to sell my goods to any one except you and I am offering you the best thereby giving you no excuse. Velvet Brown is the best skin preparation in the world for blackheads, pimple, ringworms and the most positive bleach. I want a few more agents who wish to make money.

BASE BALL.

GIANTS TO BATTLE CHESTY PANTHERS; TWO GAMES SUNDAY.

After a very successful invasion in Southern Texas, the Dallas Black Giants returned to local health to prepare for a three game series with McFar's Black Panthers, Saturday and Sunday, September 12 and 13, with a double header Sunday.

In their clash recently over at Pantherville resulted as follows: first game went 5 to 0 in favor of the Panthers second contest was a 1 to 0 affair with the Giants on the big end of the count and the third battle favored the Panthers by a score of 1 to 0.

These clubs are evenly matched and both are running true to form and when they meet on the field of battle there is going to be an old time rough and tumble battle jammed full of fight and snap.

Prexy Dave Johnson the local skipper has his ponies keyed to a high pitch and has given orders to treat 'em rough.

The local team has a new twirler that will be seen in action and his name is Sox. It is said that Sox can pitch. The big boy heaves from the right side and can mix 'em well.

Shanks Williams, Persons, Hamilton constitute a strong infield, Sloan, Harris, and Jones in the outer garden, Daniels, Long and Sox make up a trio of box men and Richardson doing the bulk of the catching. The team is working like clock work and demands respect from the other boys.

Sunday promises two real hot battles as the Panthers are a well balanced outfit and they too are going great.

DALLAS BLACK GIANTS WIN ONE AND DRAW ONE.

The Dallas Black Giants were victors in the first game of a scheduled double header with the Beaumont Oilers by a score of 2 to 0. Sox and Richardson were the Giants battery. The second game was called in last half of the ninth inning in the second game on account of darkness, the score stood 3 to 2. Lone and Richardson were the Giants batteries.

Improve your complexion

Make Your Skin Brighter Clear, Soft and Smooth

Give It That Appearance of Youthfulness So Much Desired

Beauty is the first present that Nature gives to a woman Unless proper care is given the skin, as well as the hair, this beauty is the first that is taken away. The power of beauty in a woman is inestimable—how important, how necessary, therefore, it be that she should look her best—improve the charms that Nature bestowed upon her. Now some women are endowed by Nature with a bright soft skin—but others not so fortunate, can acquire that youthful complexion—and what's more desired a light, smooth skin, just by the use of two toilet preparations known as the Black and White Beauty Treatment.

BLACK AND WHITE BEAUTY TREATMENT

BLACK AND WHITE Ointment and Soap make up the BLACK AND WHITE Beauty Treatment. This name was given by those who used the two and secured gratifying results. Both are made and recommended for the skin.

Women everywhere—those whose skin is dark especially—are loud in their praise of the wonderful skin brightening properties of this wonderful BLACK AND WHITE Beauty Treatment. Testimonials have come to us unsolicited from all parts of the world.

Black and White Ointment and Soap are easy to use—as delightful as cold creams and skin lotions. You wash your face with warm water and Black and White Soap. This opens the pores of the skin. Then mix according to directions the Creamy Ointment. Leave this on the skin—face, hands, neck or arms—overnight, and the next morning wash off with Black and White Soap and warm water. Repeat this treatment for several nights—the first application will show results in a very short time you will be delighted.

Black and White Ointment and Soap will also remove pimples, stop itching and heal irritated conditions of the skin.

Black and White Soap has other uses beside the relief of complexion troubles—it makes an excellent shampoo—a quarter of a cake shaved in a pint of boiling water makes a liquid shampoo. For baby's bath and after shaving it has no equal. Put a cake on your wash-stand—let everyone enjoy the pleasures and satisfaction of a pure medicated soap.

Black and White Ointment sells for 25c and 50c a box—Black and White Soap for 25c a box. The 50c size contains three times as much as the 25c—one large box and a bar of soap will last a long time. If your druggist won't supply you—send to us and both Ointment and Soap will be mailed you postpaid on receipt of price.

If you want to know more about the Black and White Beauty Treatment—and the other Black and White Toilet Preparations—write Dept. R. H. M. for sample and a copy of the book "Birthday Readings."

You can make money telling your friends about Black and White Preparations. Ask about 25c when you write.
